Initiation Banquet Held By Jr. Woman's Club

Sixteen young women were formally initiated into the Torrance Junior Woman's Club, Marina District, C.F.-W.C., following a banquet held at the Clubhouse, 1422 Engracia, Torrance, on the evening of January 25th. Ceremony was the climax of months of effort on the part of the provisionals who have proved themselves worthy in every way to become full fledged members of the Torrance Junior Woman's Club. They have loyally supported the Club's efforts as provisionals and are now welcomed into full membership.

Initiation ceremony was conducted by Mrs. Lee Clotworthy, president, Mrs. C. L. Briner, chairman, Mrs. John Stokley and Mrs. R. E. Shaw, co-ordinator. Mrs. Clotworthy told the provisionals they brought six gifts to the club: their Time, Talents, Friendship, Faith, Loyalty and Wisdom. As each gift was named, a candle symbolizing the attribute was lit.

Next a larger, center candle representing the club body was lit. As her name was called each girl received a taper which she in turn lit from the center candle. Club pledge was recited by all and then the initiates were serenaded by the Junior Chorus who sang "It Is Better To Light One Little Candle."

A highlight of the evening was the speech entitled "Integrating the Foreign Born Into American Life" given by Mrs. Karma M. Gulliver, who is a lecturer and teacher. She gave a most interesting talk on her experiences in teaching emigrants. Many come to the country without knowing a word of the language and must be taught enough English to buy food, keep a job, and drive a car. Mrs. Gulliver's classes lay the ground work for future classes in citizenship and driver training. She gave many illustrations of the determination and hard work of these people to overcome all obstacles. Many of them are overwhelmed by the educational opportunities and other advantages of this country and soon come to love it. The letters they write to friends and relatives at home are full of interest.

home help to give other nations a true picture of life in our country. At the inception of the club year, the provisionals were likened to seaman embarking on a "world cruise." This evening marked the end of the journey and the return to Home Port. Carrying out this theme, a large ship model was centered on the main table and each program was decorated with a ship in full sail.

Mrs. Roy J. Apsey, president of the Torrance Woman's Club, Mmes. R. E. Shaw and Rufus Sandstrom and mothers of the members were honored guests.

New members include: Mmes. Harold Brunner, Donald French, William Gross, George Hudak, Jerry Johnson, Roger Lockhart, Duane Piere, Horace Roberts, Robert St. Amand, Richard Sylvester, Wendell Thompson, Robert Vroman and Deloy Stromme.
